

Opportunity with San Diego Biopharmaceutical – Ambrx, Inc.

Senior Scientist, Biological Science (Job: 08-17BR)

About Ambrx:

Ambrx, Inc. is a biopharmaceutical company with a mission to deliver breakthrough protein therapeutics. Ambrx is based on a fundamental advance in protein biosynthesis that enables the company to genetically engineer proteins with new amino acid building blocks beyond the common twenty, enabling the biosynthesis of proteins with new physical, chemical and pharmacological properties. At Ambrx, we are dedicated to assembling and developing an exceptional team and a breakthrough technology to create the next generation of protein-based medicines.

Responsibilities:

1. This individual will join the biological sciences group to focus on the development of antibody drug conjugates (ADCs) and novel cancer immunology therapies.
2. This individual will design and perform experiments under minimal supervision.
3. Explore new technologies to aid in the treatment of cancer patients.
4. Monitor current technological developments in antibody therapies, antibody drug conjugates and cancer immunotherapies.
5. Work closely with other groups to ensure providing support for company's projects

Qualifications:

1. Requires a Ph.D. in cell biology, biochemistry or related field
2. Must have completed Post-Doctorate training
3. Industry experience is a plus
4. Must have a strong publication record
5. Must be willing to work on the bench in the laboratory at least 80% of the time with an opportunity to lead project teams.
6. Must have hands-on experience with:
 - a. *In-vitro* cytotoxicity assays
 - b. FACS
 - c. Mammalian cell culture
 - d. Recombinant cell line generation
 - e. Western blot
 - f. Cloning
 - g. RNAi (shRNA/siRNA)
 - h. Cancer immunology experience is a plus

To be considered as an applicant, please submit your resume/CV referencing the specific position of interest and position code to careers@ambrx.com. Applicants whose qualifications and experience most closely match the requirements of the position will be reviewed. Candidates will only be contacted for evaluative discussions. Ambrx offers competitive compensation & benefits. EOE
