

Opportunity with San Diego Biopharmaceutical – Ambrx, Inc.

**Research Associate, in vivo  
03-18BA**

Ambrx is a biopharmaceutical company enabling a new field of *protein medicinal chemistry*, using a fundamentally new technology that directs incorporation of amino acids beyond nature's conserved set into biosynthetic proteins to produce high value biologics products.

We are seeking a self-starting Research Associate to work with our Pharmacology group within our dynamic fast-paced research organization.

**PRIMARY RESPONSIBILITIES:**

- Manipulation and handling of mice and rats in adherence with IACUC protocols
- Familiar with common in vivo study parameters: tissue culture/sterile techniques, tumor cell implantation, tumor and body weight measurements, dosing regimens (IV, IP, & oral Gavage), clinical observations, and necropsy / tissue collections. Familiarity with FACS a plus
- Documents the data, completes data analysis, and compiles laboratory reports of studies.
- Provides interpretations and analysis of results and capable of presenting data to group meetings.
- Troubleshoots problems and develops solutions to technical problems.
- Performs other duties as assigned.

**QUALIFICATIONS:**

**Education Qualification:**

- Bachelor's Degree in a scientific discipline and at least 1-2 years of in vivo experience in an oncology focused industry setting is preferred

**Range of technical expertise:**

- Ability to troubleshoot effectively and solve scientific problems with minimal supervision
- Ability to find, read and understand relevant scientific literature
- Willing and able to work under the pressure of deadlines and find solutions to meet timelines
- Ability to work across teams by being a flexible team player with strong communication and interpersonal skills
- Comfortable using computers, including a working knowledge of Microsoft Office programs, Prism, e-mail, and internet
- Good organizational and time-management skills. Ability to multi-task with a high degree of professionalism and diplomacy.

To be considered as an applicant, please submit your resume/CV referencing the specific position of interest to [careers@ambrx.com](mailto:careers@ambrx.com). Applicants whose qualifications and experience most closely match the requirements of the position will be reviewed. Candidates will only be contacted for evaluative discussions. Ambrx offers competitive compensation & benefits.
